

OREGON FOSTER PARENT ASSOCIATION AND CAMP TO BELONG NW

SIBLINGS

Are you fostering a child who is currently separated from one or more of their siblings? OFPA-CTBNW can help. We have funds available to connect siblings in care. Please check with your child's caseworker to see what kind of contact would be appropriate and then get creative. Meeting for pizza, a day at the zoo, chatting over skype, or anything you can think up that would create a fun and meaningful sibling interaction. Send in your request for funds and let OFPA-CTBNW help you provide sibling connections for your foster children.
